SUMMARY KEYWORDS

Bursar Programme, Impact of Partnership.

00:00

My name is Edward Maula. I'm from Chambe Secondary School and I'm in Form One. My favourite subject is Physics and Chemistry.

I want to be a doctor. This bursary will help me to finish my school and to achieve my ambition in the future.

I have a message [for the partnership] that what they have done for us is good and we thank for them.
